

Get the Right Combination

It's not the sleek body-lines alone that make a fine automobile; not the spy hill-climbing power alone; nor the mile-a-minute speed alone—it's the combination.

It's the combination that goes to make J. W. S. Clothes the fine garments that they are—Polished Style, Faultless Tailoring, Perfect Fit and the qualities of the fabrics used.

Come in tomorrow and see for yourself.

DR. KENNEDY OFF TO WASHINGTON

Dr. Mallory Kennedy left last night for Washington, where he goes as a delegate from Florida to attend the national convention of public health officials with the surgeon general of the United States Public Health Service.

This is a most important meeting and it is expected that a great part of the time will be taken up discussing infantile paralysis, which was epidemic throughout the country last year, and adopt means to curtail its spread should it make its appearance again this year.

Under the watchful eye of the Florida State Board of Health, of which Dr. Kennedy is the one physician member, Florida was able last year to prevent the introduction of a single case of infantile paralysis.

DRILL CLUB WILL MEET AT 8 O'CLOCK

It is announced that the drill club, which has been organized and which has been meeting weekly in the afternoons of Sunday, will assemble to-night at 8 o'clock at the K. of C. hall, on West Garden street. It is urged that as many as possible be on hand, as it is expected that this, the third of a series of drills, will be interesting.

The late hour has been selected because some of the boys who desire to participate also want to either play ball, or see the game at Maxent park, this afternoon.

FUNERAL LATE MRS. S. HAHN AT 3 P. M.

At 3 o'clock this afternoon the funeral of the late Mrs. Samantha Hahn will take place at Cottage Hill, and there will be a number of Pensacolians to go out, either on the train or by auto, to attend the last sad obsequies. Deceased was widely known and universally beloved throughout the county, and her wide acquaintance in the city won her many friends, for to know her was to love her.

Wm. Lloyd Hahn, son of the deceased, who was making his home at Hoisington, Kansas, and who was notified of his mother's death, arrived yesterday to attend the funeral.

SHERIFF CONFISCATES LARGE AMOUNT LIQUOR
Shortly after 1 o'clock this morning the safe in the establishment at the northeast corner of Zaragoza and Baylen streets, said to have been conducted by Joe Johnson, was raided by Sheriff Van Pelk and deputies, and a quantity of liquors were confiscated. No arrests were made, as no sales were proven. The liquor confiscated consisted of 24 pints and 34 half pints of whiskey, and 28 bottles of beer.

It was necessary to hunt up a locksmith to open the container. While Sheriff Van Pelk stood guard, Deputies Hartfield and Mayo secured the services of George Peterson, who had no trouble in getting the door unlocked.

ENLISTMENTS IN ALL BRANCHES

THE HONOR ROLL.

Navy.
James Clifton Angle.
Marvin Baskam Spell.
William Henry Brown.
Militia.
John Meek.

Militia.

Physical examination of the men in Captain J. F. Phillips' national guard company is progressing rapidly. Dr. L. C. Phillips is conducting the examinations and so far only a very small per cent of the men examined have failed to pass.

Navy.

Nine applications were received at the navy recruiting station yesterday and three enlistments were made. The other day The Journal printed a story about orders being received from the navy department calling for additional enlistments in the navy with the rating of machinist mates, hospital apprentices and firemen, and already a number of young men have applied at the station for enlistment in these branches of service. Yesterday Marvin Spell enlisted as fireman, 3rd class, James Angle and William Brown enlisted as apprentice seamen.

First Christian Church.

The First Christian Church will hold Sunday School service this morning at 9:45, followed by communion service at 11 o'clock, with special music featured by a double quartet. At present the church is without a regular pastor and there will be no preaching service today.

'HI' BOYS HALVE THINGS WITH FORT

The high school boys won one and lost one at the fort yesterday afternoon. In the first game the Barrancas team defeated them 4 to 1, and in the second the Hi's defeated a team from the marine corps, 5 to 3.

The batteries for the first game were Hartman and Lurton for P. H. S., and Kent and Levellen for Barrancas. Kent's pitching and the fielding of Fulghum were the features of the game.

The high school boys played a much better game against the marines. Batteries in the second game were Herschkovitz and Perkins for P. H. S., and Schlansky and Overland for the marines.

IRISH LEADER IS IN THE U. S.

Washington, D. C., April 28.—Sir Horace Plunkett, formerly a member of parliament and minister of agriculture in England, now at the head of the Irish Agricultural Organization Society, headquarters Plunkett House, Dublin, Ireland, has been spending some time at Battle Creek, Michigan, recuperating from a serious illness.

He came to Washington to see Minister Balfour before sailing for Ireland. He called on Senator Fletcher, of Florida, whose son-in-law, Mr. Smith-Gordon, is his right hand man in the development of agriculture in Ireland.

The Only Absolutely Fool-Proof Motor Truck The Gramm-Bernstein

The great secret of the Gramm-Bernstein Motor is in the "Heart of the Truck"—the transmission. It's different from all other trucks. The gears can't be stripped. It is absolutely fool-proof.

Operate a Gramm-Bernstein on high at FULL speed—according to size, 8, 10 or 16 miles an hour—grab the speed lever and throw it in reverse, the truck slows down as though you had applied a brake.

Do this with any other truck and there's a grinding like a steel giant was crushing steel nuts between his cold steel jaws—and your truck is out of business, gear teeth chewed up and ruined, and the cost several hundred dollars for a new transmission, plus loss of use of the truck while it is in the steel hospital ward.

You can't do it with a Gramm-Bernstein because it's actually fool-proof—as nearly unbreakable as can be.

No shifting gears when you change from "low" to "high" or "high" to "low" or to "reverse." The gear teeth are always in perfect mesh.

Our Iron-Clad Guarantee

The Gramm transmission used only on the Gramm-Bernstein Motor Trucks is fully guaranteed for the entire life of the truck and we will give a new Gramm transmission or any part of it for one that proves defective in material, workmanship or mechanical operation, provided it hasn't been repaired or altered outside of our factory.

This splendid Truck will be shown and demonstrated during the Automobile Show at Jacksonville, Fla., at the Mason Hotel, during the week of April 30th.

For fuller information see George Effros, Southern District Manager, Gramm-Bernstein Motor Truck Co., Mason Hotel, Jacksonville, Fla.
